

BUSINESS AND NONINSTRUCTIONAL OPERATIONS**Federal Funds**

The receipt, and use, of federal funds for a specific project must be approved by the Stafford County School Board.

The board may request of the governing body an appropriation in anticipation of the receipt of federal funds for any specific projects or programs.

The funds for such federally funded program or project shall be maintained and accounted for in separate accounts in accordance with State and federal requirements.

Adopted by School Board: March 24, 1987
